

Ronald Butterfield

Sculptor & Craftsman

1920 - 2007

Ron Butterfield working on an eagle lectern in the early 1970s (photograph by Sheffield Newspapers Ltd).

'Leaping Fish', designed and carved by Ron Butterfield at the age of 16. He described this as his "second piece of stone carving in the round".

The material is Hopton Wood Stone, a marble-like limestone quarried near Matlock, Derbyshire.
